History of sandals Tutankhamun S Footwear studies of - Among the objects found in Tutankhamun's tomb was a large collection of shoes and sandals. These are now housed in the Egyptian Museum, Cairo, and the Luxor Museum. In a new book, Giuseppe Giudice et al. entitled Tutankhamun's Footwear Studies of Ancient Egyptian Footwear, the 3,300-year-old footwear is analyzed in detail. Amazon.com: Tutankhamun's Footwear Studies of Ancient - Tutankhamun's footwear is compared with other finds in order to be able to put it in a broader context. The footwear from the tomb of Yuya and Tjuiu, the king's great grandparents, is therefore analyzed as well. In addition to the analysis footwear in texts and two and three-dimensional art is considered. Tutankhamun's Footwear Sidestone Press - The discovery of Tutankhamun's tomb by Howard Carter in 1922 is one of the most significant archaeological discoveries of all time. It took Carter and his team 10 years to clear the contents of the tomb and among the objects found was a large collection of shoes and sandals. The footwear is analysed here in detail for the first time since the discovery using Carter's records and Harry, Shoe from the Tomb of Tutankhamun Sutor Leatherworking - This is a reproduction of one of the shoes found in the famous tomb of Tutankhamun. Conspicuous is the lavish use of gold on all elements of the shoe as well as the unusual strap construction around the toes. The cut of the upper as well as the method of latching does not suggest that it was meant for longer walks, but that probably is not to be expected from a Pharaoh in the first place. King Tut's Sandals Featured at Ancient Egyptian Footwear - The latest exhibit at the Egyptian Museum in Cairo lets visitors take a walk in King Tut's shoes. A joint effort by Andre Veldmeijer visiting research scholar at AUC and ancient footwear expert and Salima Ikram renowned Egyptologist and AUC professor stepping through time footwear in ancient Egypt features shoes from more than 5,000 years worth of Egyptian history. Tutankhamun's Footwear Oxbow Books - Tutankhamun's footwear is compared with other finds in order to be able to put it in a broader context. The footwear from the tomb of Yuya and Tjuiu, the king's great grandparents, is therefore analyzed as well. In addition to the analysis footwear in texts and two and three-dimensional art is considered.
